

I want rules in place that serve the public, rather than private, interest. I oppose any vote that leads to more media consolidation. On June 2nd, I urge you to retain the current ownership rules.

In addition, I urge you to strive for more public input into your decision making process. I've read that you've had more than 70 meetings with industry representatives leading up to this vote, and only a handful of meetings with consumer groups. Shameful!
